

Adobe® School Collection 3.0

The Adobe School Collection 3.0 combines two powerful, intuitive products in one affordable package. Using Adobe Photoshop Elements 4.0 and Adobe Premiere Elements 2.0 students' creativity, curiosity, and subject mastery can be greatly enhanced when they include digital photos and video in their classroom projects. Their projects then can be burned to DVD for convenient sharing.

Adobe® Audition® 1.5 for Schools

The perfect compliment to the Adobe School Collection. Teach digital audio production skills more effectively with this package that includes Adobe Audition 1.5 software, lessons for use in the classroom, helpful user guides, and links to schemes of Work. The package provides a flexible workflow and advanced audio mixing, editing, and effects-processing capabilities.

Adobe® Acrobat® 7.0 Standard for Schools

Enhance daily teaching, learning, and administrative activities with Adobe Acrobat 7.0 Standard for Schools. This exciting new package includes Adobe Acrobat 7.0 Standard software, helpful user guides, lessons for use in the classroom, and links to Schemes of Work.
